

Chitosan Fibre Complex

Helps support healthy cholesterol

AUST L 230029
DIETARY SUPPLEMENT
90 CAPSULES

Chitosan Fibre Complex helps support healthy cholesterol. Unlike other nutrients, dietary fibre is not digested or absorbed in the small intestine. Instead, it passes through the gastrointestinal tract to the larger intestine where it is fermented. Chitosan Fibre Complex provides 1.9 g of dietary fibre per day when consumed as directed.

DIRECTIONS FOR USE: Adults 5 capsules per day taken over 3 meals. Drink plenty of water.

Store below 25°C.

This and all Herbalife Nutrition® products are available only through Herbalife Nutrition Independent Distributors.

WARNING: Poliglusam (chitosan) should be taken at least one hour after any other medication as it may reduce the effect of other medication. Derived from seafood. Contains crustacea or crustacean products.

Keep out of reach of children.

Recycle this bottle.

Do not use if the inner foil liner is broken.

See base of container for BATCH NO. and EXPIRY DATE.

Each capsule contains:

Poliglusam (Chitosan) 330 mg and *Trigonella foenum - graecum* (Fenugreek) powder 110 mg

Also contains: Encapsulating aids.
