

CONGRATULATIONS

NEW CHIEF EXECUTIVE PRESIDENT'S TEAM, 30K

CHARANJIT SINGH SEHMBI & BALJEET KAUR LUDHIANA, PUNJAB

I belonged to a lower middle-class family. My father is a Motor Mechanic. We are seven children in the family. Nobody could get education beyond 10th Standard. I did many part time jobs and completed my graduation and could manage to get a Central Government Job, but my salary was just Rs.15,000/-. We were looking for some extra Income.

One day we came to know about Herbalife opportunity through an Associate and we attended a HOM where we saw some ordinary people making extraordinary income. We started using the Herbalife Products. We got energy, active lifestyle and fitness. People started asking us about it & thus we started sharing our product results and the business started. We started attending National and International trainings to understand the business better and with this powerful training System, we got better lifestyle.

Before getting introduced to Herbalife Nutrition, I was class -1 Gazetted Officer. I resigned from my job & started working full time as a Herbalife Nutrition Associate. I could give more time to my family, our lifestyle has completely changed now; my children are studying in one of the best schools today, we travel internationally for vacations and trainings, but more importantly, we have become better human beings. This was all possible with our hard work and dedication.
