

CONGRATULATIONS

NEW GLOBAL EXPANSION TEAM - 2500

SACHIN SURESH WAKADE & PRITI SACHIN WAKADE

PUNE, MAHARASHTRA

I worked as a branch head in a multinational life insurance company and had a very successful sales & marketing career in top pharma & insurance companies. The job was always rewarding but demanded a heavy workload & it was not easy to keep the same energy levels which indirectly took a toll on my health over the first 16 years of my corporate career. I was hugely overweight and had started facing lifestyle-related disorders. My spouse Priti was then a housewife. She was underweight and had a lot of health challenges too. We both started to consume Herbalife Nutrition from Sept 2013. We realized lifestyle improvement is the best way to a healthy active living, by following simple & easy doable lifestyle changes as suggested by our coaches. I lost 30kgs fat from my body & Priti gained 11kgs healthy weight. We drastically improved our fitness levels. The best part is, we are maintaining it for over the last 7.5 years. And now we are experiencing improved energy levels and living a completely healthy

life. Being happy with our transformation, we started sharing these results with people we knew and started building a community of healthy consumers. We focused on creating head-turning results for our community members & coaches by changing their lifestyles with the best nutrition products. Virtual system of guiding our community members has brought us all in proximity which helps us coach them regularly for best results. Now we are serving many families across various countries. It gives immense pleasure to see our community changing their lives & becoming healthier & happier with Herbalife Nutrition.

Firstly, we would like to thank our coach (sponsor) Millionaire Team Ashutosh Limkar for introducing us to this amazing opportunity. We would like to thank our mentors Millionaire Team-7500 Mandar & Madhura Phatak for their valuable support and guidance on regular basis. We also thank Senior Executive President's Team Prasad & Vaishali Gidnavar for their guidance in building a strong foundation of the concept of Universal Membership & Ambassador program. We are thankful to our team of coaches & fantastic community for the trust and love we get from them every moment. They are our asset & provide us immense strength in fulfilling our dreams and mission. Thanks to our founder Mark Hughes for creating such an amazing opportunity. We are excited about our future with Herbalife Nutrition & are just getting started.
