

## CONGRATULATIONS

### NEW 20K EXECUTIVE PRESIDENT'S TEAM

## GURMUKH SINGH VIJ & VEENA VIJ

MANDI GOBINDGARH, PUNJAB

Before getting introduced to Herbalife Nutrition, I was running a showroom of two-wheelers in Khanna city located in Punjab. I had a busy & stressful schedule, due to which I started developing health problems. I had money but no time freedom and was searching for a better opportunity.

I got to know about these amazing products from my sponsor, Millionaire Team 7500 Ramanjeet Kaur. After using Herbalife Nutrition products and following a healthy active lifestyle, I lost 16 kgs and my wife Veena lost 17 kgs. We both felt great and had great results in our family, which inspired our friends, and this is how our business started. I started attending trainings which made our belief strong in the company, and our part-time Herbalife Nutrition business started.

The turning point came after attending the 2015 Extravaganza in Bangalore, which expanded our vision, and thereafter we never missed any training. I was inspired by the Nutrition Club concept and opened my Nutrition Club in Khanna. We learnt and started working on Universal membership concept & step by step our organization grew. We started our Virtual Nutrition Club & now we are serving lots of people across the world for their good health and happiness.

By doing this consistently and passionately we now qualified our dream level. Today we are enjoying a wonderful lifestyle and freedom of time. I would like to thank my organization, my sponsors, mentors, Senior Executive President's Team, 15K - Gurpreet Singh & Chief Executive President's Team, 30K - Charanjit Singh for guiding us at every step. Thanks to the corporate team and sincere thanks to Mark Hughes for creating this extraordinary opportunity.
