

How to create your **NEW** online username | and | password |

In an ongoing effort to protect your business and personal information, a new global security enhancement is being implemented. Starting **November 9**, you will need a unique username and password to log into <https://www.myherbalife.com/en-in/> and access your online business tools.

FIVE EASY STEPS GET YOU STARTED:

The screenshot shows a blue button labeled "Login" with a green arrow pointing down to a login form. The form features the Herbalife logo at the top, followed by two input fields for "Username" and "Password". Below these fields are links for "Forgot username?" and "Forgot password?". At the bottom of the form are two buttons: a blue "Sign in" button and a grey "Create an Online Account" button.

1

Go to <https://www.myherbalife.com/en-in/>. You will then be prompted to create a unique username and password.

2

Click **Login** and this will take you to a new login screen.

3

Once on the login screen, click **Create an Online Account** to create your new online username and password.

4

Set up your security questions. This will help you retrieve your username or reset your password if by chance you forget them in the future.

5

You are all set!

Use your new username and password to access:
