

# Reach your goals and be rewarded on the way

## A program tailored to your needs

Whether you are looking to improve your health and nutrition, get in better shape or just live a balanced lifestyle, the Preferred Customer programme allows you to find what's best for you. A tailored programme that suits your needs, that's the level of personalization you deserve in order to achieve your goals easier.

Keep enjoying the products at a certain discount, while being part of a like-minded community. Therefore, you are not interested in retailing, but still want to get some benefits?!

Three Discount Levels: Bronze, Silver and Gold
