

Meal replacement for weight control

With a perfect blend of high quality protein, fibre and vitamins & minerals, Formula 1 offers both great nutrition and convenience in one delicious shake. Enjoy Formula 1 as a nutritional breakfast, lunch or dinner to support your active lifestyle and weight management goals*.

Formula 1 shake contains 25 vitamins and minerals, including vitamin D which contributes to the normal function of the immune system, and vitamin C which contributes to the reduction of tiredness and fatigue.

Formula 1 is made of ingredients that are vegan sourced, is gluten free and contains no artificial flavours.

You no longer have to choose between healthy meals and convenience - the Formula 1 shake is quick and easy to prepare!

DIRECTIONS FOR USE: Enjoy a Formula 1 shake every day as a nutritious meal. Gently shake the canister prior to each use as content may settle. Mix two tablespoons (26 g) of powder with 250 ml of cold, semi-skimmed milk (1.5 % fat). Enjoy this product within a balanced and varied diet, as part of a healthy, active lifestyle. Check out myherbalifeshake.com for additional shake recipes and serving suggestions.

Quick and easy to prepare

* **For weight control:** Substituting two of the main daily meals of an energy restricted diet with meal replacements contributes to weight loss. Replace two meals per day with a delicious Formula 1 drink and take a balanced meal.

* **For balanced nutrition support and weight maintenance:** Substituting one of the main daily meals of an energy restricted diet with a meal replacement contributes to the maintenance of weight after weight loss. Replace one meal per day with a delicious Formula 1 drink and eat two balanced meals.

Meet your daily caloric goals by also consuming nutritious snacks.

Store with lid closed in a cool, dry place.

30-day money-back guarantee. This guarantee does not affect your statutory rights. This exclusively formulated product is only available through Herbalife Nutrition Independent Distributors.

This product is intended for use as part of an energy restricted diet and with other foodstuffs, in conjunction with regular physical activity. It is important to maintain adequate fluid intake. It is important to follow these directions as indicated.

Herbalife Nutrition advises before beginning any weight management program, it is advisable to consult a physician. A healthy weight management program should include modest caloric intake, balanced diet and regular physical activity.
