

Personalized Protein Powder. Protein blend with quality protein helps you feel full and keeps you from getting hungry. It is a convenient way to increase your protein consumption to help support your health and fitness goals, maintenance of energy between the meal and helps to maintain lean muscle mass.

Soy protein isolate is an excellent quality protein from vegetarian source; it has a Protein Digestibility Corrected Amino Acid Score (PDCAAS) of 1. PDCAAS is the world standard for evaluating the quality of protein from different food sources, and the highest possible score is 1.

RECOMMENDED USAGE: Simply mix two to three scoops* of Personalized Protein Powder with your favourite beverage, with soup or gravies to get high quality of protein from soy and whey. Take two times a day. Not to exceed the stated recommended daily usage.

(* 1N of scoop is provided inside the canister)

Duration of Use: Consume at your own discretion and per labelled recommended usage.

Storage Instructions: Store with lid tightly closed in a cool, dry place and away from sunlight. Keep out of reach of children.

Special Instruction: This product absorbs moisture quickly. Do not keep the canister in open condition. Close immediately after use. Recommended to consume the product within 30 days once the canister is opened.

30-day money-back guarantee. (For details visit our website www.herbalife.co.in) Official Herbalife products are available only through Herbalife Independent Distributors and not through any other channel of sales/distribution.

Not recommended for children. Pregnant or lactating women should consult their physician prior to use of this product. This product is not intended to diagnose, treat, cure or prevent any disease. Health supplement is not to be used as a substitute for a varied diet.
