

Nutrition Club Registration Form – South Africa

WHO NEEDS TO SUBMIT A REGISTRATION FORM?

Distributors operating Nutrition Clubs in **non-residential** locations are required to submit a *Registration Form* to Herbalife, prior to the official opening date of their Club.

In addition to completing the Registration Form, Distributors are required to meet the following requirements prior to signing a lease, sublease or purchasing a commercial location:

1. Be a Distributor for at least 90 days in order to obtain training and experience about the Herbalife business;
2. Achieve 7,500 or more Total Volume after qualifying to Fully Qualified Supervisor level;
3. Complete the process required by Herbalife at that time for site location, proposed plaque, covering, business plan, training and other matters.

Distributors operating Nutrition Clubs from residential (from their home) locations are also encouraged to submit a *Registration Form*.

WHY DO I NEED TO SUBMIT A REGISTRATION FORM?

Submitting your *Registration Form* will help you stay connected with the latest news and updates on Nutrition Club trainings and promotions. This registration process will allow Herbalife to review your proposed Club name, location, plaque, window and door covering ideas prior to your Club's opening date to avoid premature expenditures that may not be compliant with Herbalife's *Rules of Conduct*. **As stated in Herbalife's *Nutrition Club Rules*, Nutrition Clubs are not franchises or retail locations.**

Information about plaque and window/door covering requirements can be found in [Rule 8.4.3 Nutrition Club Exterior Signage](#) and [Rule 8.4.4 Nutrition Club Exterior](#). Any missing information may delay the confirmation of your Registration.

DO I NEED TO SUBMIT ADDITIONAL INFORMATION WITH MY REGISTRATION FORM?

Yes. Please, submit the following with your completed Registration Form:

- A photo or drawing of the plaque including a brief description with the dimension/size and location of the plaque;
- A photo or drawing of each window and door covering including a brief description, with the dimensions, locations number; and coverings needed;
- An overall photo that captures the building's entire exterior with the Club's structure and any plaque, signage or message, all windows, doors and the surroundings visible to passers-by.

Only one Operator is responsible for submitting a Nutrition Club *Registration Form*. This Operator is considered the **Primary Nutrition Club Operator**.
