

# PROTECTING THE LINES OF SPONSORSHIP

Protecting the lines of sponsorship is key to maintaining the integrity of the Herbalife Nutrition Sales and Marketing Plan.

Individuals may have and participate in only one\* Herbalife Nutrition Distributorship under one sponsor.

This also applies to their Spouse or Life Partner.

Applications **must be submitted** in the name of an individual; however, Distributors may request to have their income paid into a partnership or corporation.\*\*

## MARRIED COUPLES OR LIFE PARTNERS:\*

- May participate in only one Distributorship.
- Cannot sponsor each other.
- Must sign a single application under one Sponsor.

## PERIOD OF INACTIVITY

- Distributors who resign must wait one year before joining again under a different Sponsor.
- For World Team level and above, the period of inactivity is two years.
- During the waiting period, former Distributors may not be involved in any Herbalife Nutrition business activity

Former Distributors applying for a new Distributorship must provide their **former ID number** to Herbalife Nutrition.

If they did not wait the "period of inactivity," their application may be denied and may result in other repercussions.

Creation of dual Distributorship may lead to **sanctions**.

If both Distributors are at Supervisor level or greater at the time they marry or enter into a **Life Partner** relationship, they may continue operating their own separate Distributorship, and remain in their original lines of sponsorship.

\*There may be some exceptions to the one Distributorship Rule.

\*\*The Membership will remain in the name of the individual, and the earnings of the Distributorship will be reported in the name and tax identification number of the individual Distributor.
