### Customer Refunds

Independent Associates are required to offer their Customers a 30-day money-back guarantee.

The Customer must be offered the choice of whether they are provided a full refund, inclusive of any shipping and handling charges, or product credit in exchange for other Herbalife® products.

Independent Associates should refer Preferred Customers to the Company for refunds.

## Administrative

### Associateship Eligibility

#### Associateship Minimum Age

A person must be at least 18 years old\* to apply for Associateship or participate in another Independent Associate's Herbalife business.\*\*

*\* A person who is over 18 but a student of secondary special, professional education institution can apply for an Associateship but only to purchase product for personal consumption. If the person becomes a student of these institutions during their Associateship, the Independent Associate must promptly cease doing the Herbalife business to the extent required by applicable laws and regulations, and only purchase products for personal consumption.*

*\*\* Minimum age requirements vary from country to country. For age requirements in other countries, contact Member Services.*

#### Recognition of Spouse or Life Partner

An Independent Associate may add their spouse or Life Partner to their Associateship record to support them in the business and for recognition\* purposes.

The Independent Associate will remain the Independent Associate of record. However, in the event the Independent Associate separates from their spouse or Life Partner, the Independent Associate's ownership or entitlement of the Associateship may be impacted.\*\*

*\* As an example, recognition allows Herbalife event attendance, recognition for new business and Marketing Plan achievements.*

*\*\* In the event of a separation/divorce or dissolution of Life Partner Relationship where a legal and/or financial aspect of the Associateship becomes disputed, whether the spouse or Life Partner is added to the account or not may impact the local court's decision.*

### Transferring Your Associateship

#### Assignment, Sale, or Transfer of Associateship

The assignment, sale or transfer of any right or interest in a Associateship is not permitted without prior written consent by Herbalife in its sole and absolute discretion.

An Independent Associate may not transfer a Associateship in order to circumvent the Rules or the law. If Herbalife becomes aware that the former Independent Associate (Transferor) and/or the Transferor's spouse or Life Partner has engaged in conduct or activity that would violate the Rules after granting the transfer request, Herbalife may apply sanctions to the transferred Associateship.

#### May Only Be Sold, Assigned or Transferred to a Non-Herbalife Independent Associate

A Associateship can only be sold, assigned or transferred to an individual who is not an Independent Associate, except as allowed by the [Inheritance Rule](#). Herbalife will not consider a transfer request if the proposed Independent Associate (Transferee) has not satisfied the period of inactivity requirements (see [Period of Inactivity Rule](#)).

#### Status and Benefits

The achievements of an Independent Associate are personal, and if a sale, assignment or transfer is approved, the status and benefits achieved by the Independent Associate may not be transferred with the Associateship. The Transferee may be required to achieve all qualifications for status and earning requirements after the assignment or transfer is made. This includes Supervisor status, TAB Team status, vacation qualifications or any other rights of the individual Independent Associate.

## Responsibility After Transfer

After transfer of the Associateship:

- The Transferee shall be responsible to Herbalife for any and all violations of the Rules committed by or on behalf of the Transferor in connection with the Associateship.
- For a period of six months following the effective date of the transfer, acts by the Transferor and/or the Transferor's spouse, or Life Partner which would violate the Rules if the Transferor were still an Independent Associate, shall be treated as though the violations were the Transferee's violation.

## Separation, Divorce and Dissolution of Life Partner Relationship

### Establishing a New Associateship

If an Independent Associate's spouse or Life Partner wishes to continue in the Herbalife business during divorce proceedings or immediately after a divorce, or dissolution of a Life Partner relationship, the Independent Associate and spouse / Life Partner each must start a new separate Associateship under the original Independent Associate's Sponsor. Herbalife will deactivate the buying privileges of the original Associateship and credit each new separate Associateship with the business activity of the original Associateship through an "Association." (See Divorce and Dissolution of a Life Partner Relationship and the Herbalife Sales & Marketing Plan) Each Independent Associate must use the ID number in his or her business.

The original Associateship and its downline cannot be divided between the Independent Associate and the former spouse / Life Partner. For example they may not "divide" the Associateship giving each person a 50% ownership.

Herbalife must receive the following documents to establish new Associateship:

### From a Divorcing Couple

- Newly completed and signed Agreements, for the Independent Associate and the spouse, sponsored by the Sponsor of the original Associateship.
- A signed and witnessed Divorce and Separation Form.
- A copy of the Legal Divorce Certificate, or final divorce judgment.
- Newly completed and signed TAB Team Additional Service Fee Agreement Forms, for the Independent Associate and spouse, reflecting the ID number of the new separate Associateship (TAB Team level Associateships only).

### From Partners in Dissolution of Life Partner Relationship

- Newly completed and signed Agreements, for the Independent Associate and Life Partner, sponsored by the Sponsor of the original Associateship.
- A signed and witnessed Dissolution of Life Partner Relationship Form from both parties. (If both parties do not provide the signed and witnessed Form, the termination of material relations certified by two (2) witnesses, will be required.)
- Newly completed and signed TAB Team Additional Service Fee Agreement Forms, for the Independent Associate and Life Partner, reflecting the ID number of the new separate Associateship (TAB Team level Associateships only).

If an Independent Associate remarries or designates a new Life Partner, that person's new spouse or Life Partner may be added to the Independent Associate's new separate Associateship to support the Independent Associate in the business and for recognition purposes.

### More than one Dissolution or Divorce:

Herbalife will only associate one set of dissolved or divorced Associateships. In case of more than one Divorce or Dissolution of Life Partner Relationship, the dissolved Life Partner or divorced Spouse may establish a separate Associateship, but the Associateship will have no association.

For example, if Bob and Barbara divorce, Barbara may start a new separate Associateship ("D") under the original Associateship Sponsor, but it will not be associated to Bob's Associateship ("C").

The Sales & Marketing Plan level of Barbara's Associateship ("D") will be established based upon the business activity achieved under Associateship ("C"). For example, the business activity of Associateship ("C") is earning at GET Team, so Barbara's new Associateship ("D") will be established at GET Team level.

### Requests to Modify the Original Associateship

Herbalife will accept requests to make changes to the original Associateship. All requests must be signed by both parties unless Herbalife receives a certified copy of the court's final divorce judgment.

**Removing a Spouse or Life Partner's Name:** Herbalife must receive a completed Request to Remove Spouse Form, or a Request to Remove Life Partner Form to remove the name of a spouse or Life Partner from the Associateship record.

**Payments:** Herbalife must receive a completed Request to Pay Form to make payment changes. Subsequent requests must be signed and notarized by both parties. The income statements for the original Associateship will be available at MyHerbalife.com when logged in under the original Associateship's Herbalife ID number.

**Transfers:** Herbalife must receive a completed Divorce and Separation Form, or Dissolution of Life Partner Relationship Form, to transfer a Associateship to someone who is not the Independent Associate, a former spouse or former Life Partner.

If the Associateship to be transferred is associated with another Associateship, the transferred Associateship will remain associated.

### If after an Independent Associate transfers their Associateship and decides to establish a new Associateship:

- The new Associateship must operate independently from their original Associateship.
- Advancement within the Sales & Marketing Plan, Service Fees, Additional Service Fees and other earnings will be based solely on the achievements of the new Associateship.

### For Herbalife to accept the new Agreement:

- The Independent Associate must submit their request within one year of the transfer if Supervisor and below, or within two years of the transfer if World Team and above.
- The Sponsor of the original Associateship must sponsor the new Associateship.
- The new Associateship's status will be equal to the status of the original at the time of the transfer.

### Joining Under a Different Sponsor/Participating in another Associateship

To join under a different Sponsor, the Independent Associate or spouse or Life Partner must provide Herbalife with the following required documents:\*

### From a Divorcing Couple

- A newly completed and signed Agreement.
- Signed and witnessed Divorce and Separation Form.
- Copy of the Legal Divorce Certificate, or final divorce judgment, or documentation from a court which declares an interim determination that the marital community has ended.

### From Partners in Dissolution of Life Partner Relationship

- A newly completed and signed Agreement.
- Signed and witnessed Dissolution of Life Partner Relationship Form from both parties. (If both parties do not provide the signed and witnessed Form, the termination of material relations certified by two (2) witnesses, will be required.)

In addition, the Independent Associate or spouse or Life Partner must comply with the Period of Inactivity. The Period of Inactivity will be determined as stated in the **Period of Inactivity Rule** or by the issuance date of the court document received, whichever is later.

Note: Establishing a new Associateship under a different Sponsor requires submitting a new Agreement, and benefits will begin at a 25% discount with no association to the original Associateship.

*\* Forms and Applications are available through Member Services.*

### Divorce and Dissolution of a Life Partner Relationship and the Herbalife Sales & Marketing Plan

Total Volume: The individual Associateships will receive Volume Point credit from the original Associateship to combine with their own Volume Points ("Association"). This will determine the eligibility to receive Service Fees, qualifications, re-qualifications and/or Additional Service Fees.

For the purpose of Service Fee percentage eligibility, the original Associateship will combine volume with each of the individual Associateships, plus its own Volume.

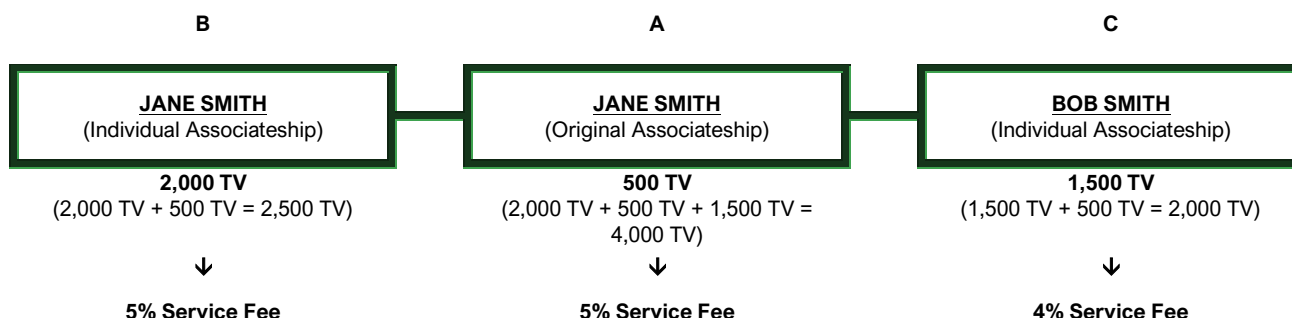

Additional Service Fee eligibility for the original Associateship will be determined based on the achievement of the highest individual Associateship.

### Example:

#### Volume Points

Volume for B and C will be as follows:

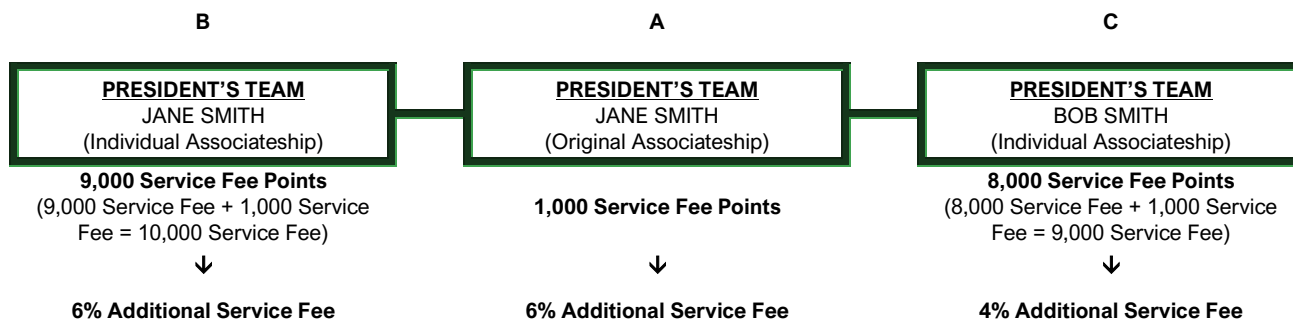

**B + A and C + A**

#### Service Fee Points

The Service Fee Points for Additional Service Fee purposes are combined as follows:

**B + A and C + A**

**Requirements:** Each individual Associateship must comply with all applicable requirements to earn Service Fees.

Each Associateship must also achieve the necessary volume to meet the Matching Volume requirements for their own downline who are qualifying for Supervisor status. The buying privileges of the original Associateship will be temporarily granted to accommodate any Matching Volume requirements for its downline qualifiers.

**Recognition:** Each Associateship will be recognized for its own accomplishments under the Sales & Marketing Plan. The original Associateship will not receive recognition. If the original and an individual Associateship reach the level of President's Team, only one diamond will be awarded to the upline President's Team member, which remains consistent with the diamond allocation for Associateships that are not part of a divorce or dissolution of a Life Partner relationship. If the individual Associateship qualifies for a diamond, only that Associateship will advance within the diamond status(es).

**Events:** Rules related to event attendance are specific to each event and may vary. Please refer to event materials for information about accommodations, tickets, transportation and other event details.

### Inheritance\*

The Associateship of a deceased Independent Associate may be transferred to an heir, subject to applicable laws, Rules, and Herbalife's approval which shall not be unreasonably withheld.\*\*

Independent Associate may own and operate a maximum of three Associateships – the Independent Associate's own, plus up to two others acquired by inheritance. An inherited Associateship may be transferred to the individual heir directly, or in the case of a Associateship that is TAB Team level, to a Corporation\*\*\* owned by the heir.\*\*\*\*

The Period of Inactivity (as specified in the **Period of Inactivity Rule**) for an inherited Associateship shall be waived.

The heir must provide all documentation requested by Herbalife in its sole and absolute discretion.

Requests to cancel a deceased's Associateship must be made directly to Member Services.

\* For estate planning and inheritance, the **Business Continuation Program** is available to assist with the continuity of your Associateship. Please contact Member Services for more information or view the **Herbalife Associateship - Planning Ahead** document available on MyHerbalife.com.

\*\* **The Deceased Transfer Declaration Form** is available from Member Services.

\*\*\* If available in the heir's market.

\*\*\*\* Inherited Associateships are considered to be separate entities, each subject to fulfilling the business activities, sales volume and compensation terms as set forth in the Sales & Marketing Plan, with the exception of lifetime volume achievements, which permit the combination of the heir's own Total Volume with the inherited Associateship's Total Volume. The heir is responsible for payment of fees, and debts of each Associateship.

## Resignation

An Independent Associate may resign a Associateship by submitting a resignation request through the Online Self-Service Center on [MyHerbalife.com](https://myherbalife.com), or by submitting a signed letter to Herbalife. The resignation becomes effective when received and accepted by Herbalife.

## Sales to Consumers

Herbalife is a direct-selling company, whose independent contractors (Independent Associates) sell Herbalife® products directly to customers and provide them with product guidance and social support.

## Business Registration and Taxes

Regulations and requirements vary by country and change frequently for:

- Business registrations;
- VAT (disclosure, collection, recording and reporting);
- Other taxes.

Independent Associates are required to comply with business registration, licences and all tax obligations and reporting requirements when running their Herbalife business, whether selling offline or online.

When requested by Herbalife, Independent Associates must provide their business and/or tax registration. In addition, Independent Associates are responsible and must report any changes about previously provided information to Herbalife without undue delay.

## Payments and Adjustments

To qualify for monthly Service Fees, Additional Service Fees or other bonuses offered by Herbalife, Independent Associates must meet sales production Service Fee Point requirements that are fully defined in the Sales & Marketing Plan and in other literature and promotional material.

## Maintaining Lines of Sponsorship

The Sponsor/ Independent Associate relationship is the foundation of the Sales & Marketing Plan. These Rules protect both parties, including safeguarding rights of sponsorship. Sponsoring Independent Associates invest considerable time, energy, leadership and training to support their downline. Sponsorship changes are detrimental to the integrity of the Herbalife business and are discouraged. Only on rare occasions are Sponsorship changes permitted, and always at the sole and absolute discretion of Herbalife.

## Sponsorship Correction

An Independent Associate, who wishes to request a Sponsorship correction, must complete and submit a "Change of Sponsorship Request" Form\*, a "Change of Sponsorship Consent" Form from the current Sponsor, and a letter of acceptance from the proposed Sponsor. All documents must be signed by 2 witnesses.

Requests for Sponsorship corrections will only be considered if all the following circumstances are met:

- Sponsorship details provided on the Agreement were in error
- The request is made within 90 days of Herbalife accepting the current Agreement
- The current and proposed Sponsor are in the same line
- The current Associateship has not reached the level of Supervisor
- The Independent Associate making the request has not yet sponsored any other Independent Associates.

*\* The required [Change of Sponsorship Request](#) and [Change of Sponsorship Consent Forms](#) may be obtained from the Member Services Department. These forms and all other specified documentation must be submitted to Member Services Department in order for Herbalife to consider the request.*

## Applying for Change of Sponsorship

**In order to protect the integrity of lineage which is a fundamental principle of multi-level marketing, a change of sponsorship is discouraged and will only be approved by Herbalife in the most exceptional circumstances.**

An Independent Associate may only apply for a change of Sponsorship within their upline President's Team organization.

An Independent Associate who wishes to request a sponsorship change should first consult with their upline to discuss and review the circumstances. Should the Independent Associate then wish to continue, they must complete and submit a "Change of Sponsorship Request" Form\* signed by 2 witnesses, along with a "Change of Sponsorship Consent" Form signed by 2 witnesses, from the current Sponsor, and all Service Fee and Additional Service Fee earners in the upline, up to and including the active President's Team member earning a 7% Additional Service Fee. In addition, Herbalife must receive a "Change of Sponsorship Acceptance" Form signed by 2 witnesses, from the proposed Sponsor.

If both the current and proposed Sponsors share the same upline Sponsor, and each are at equal status and earning levels under the Sales & Marketing Plan, the Independent Associate requesting the change only needs to obtain a "Change of Sponsorship Consent" Form signed by 2 witnesses, from the current Sponsor, and a "Change of Sponsorship Acceptance" Form signed by 2 witnesses, from the proposed Sponsor.

If Herbalife approves the change, the requesting Independent Associate will not be allowed to keep downline Independent Associates and Preferred Customers.

If the request for a change of sponsorship is denied, the Independent Associate may resign their Associateship and comply with the Period of Inactivity before reapplying for Herbalife Associateship under a different Sponsor. (See Period of Inactivity Rule)

*\* The required Change of Sponsorship Request and Change of Sponsorship Consent Forms may be obtained from the Member Services Department. These forms and all other specified documentation must be submitted to Member Services Department in order for Herbalife to consider the request.*

## Enforcement Procedures

The Rules protect the Herbalife opportunity and brand. Violations can adversely influence the opinions of regulators, the media and the public about Herbalife, its products and its Independent Associates. While many Rule violations may be resolved by educating Independent Associates about the Rules and business practices, there are instances where violations of the Rules merit more severe penalties.

Independent Associates are strongly encouraged to promptly report alleged violations of the Rules to Herbalife in order to protect the goodwill and reputation of Herbalife and its Independent Associates. Herbalife generally will only act on complaints brought within one year of when the Independent Associate knew or should have known of the violation but reserves the right to conduct an inquiry at any time.\*

*\* Herbalife's enforcement of the Rules shall not create liability to pay compensation for loss of profits, goodwill or any consequential damages.*

### Complaint Procedure

Independent Associates should report suspected violations to Herbalife at MyHerbalife.com via Online Support. Required information includes the nature of the complaint and the factual details that support the allegations.\*

Independent Associates may not discourage a customer or Independent Associate from making a complaint or retaliate in any way.

*\* Factual details include names, addresses, and telephone numbers of persons involved as well as dates, times, places, etc.*

### Inquiry

If Herbalife determines in its sole and absolute discretion there is sufficient information to support the allegation, an Herbalife representative will contact the Independent Associate who is the subject of the complaint to permit the Independent Associate to provide a response.

In certain circumstances it may become necessary to place restrictions on a Associateship while an inquiry is in process.

Those restrictions may include a prohibition from attending Herbalife events and suspension or denial of:

- Buying privileges.
- Payment for Service Fees.
- Payment for TAB Team Additional Service Fees.
- Awards or benefits (i.e., vacations, pins, etc.).
- Speaking at Herbalife sponsored Training Seminars or other meetings.
- Qualifications that may be in progress.
- The right to represent oneself as an Herbalife Independent Associate.

### Sanctions

Violations of the Rules may result in legal or regulatory challenges for Herbalife and endanger the business for all Independent Associates. For this reason, penalties may be substantial. Herbalife shall have sole and absolute discretion to determine the appropriate penalty based on the nature of the violation and consequence that resulted or could result, including:

- Suspension of all Independent Associate rights and privileges.
- Monetary sanctions.
- Obligation to reimburse Herbalife's legal fees.
- Prohibition from attending or speaking at Herbalife sponsored events.
- Disqualification from participation in the annual Mark Hughes Bonus.
- Disqualification from participation in the Additional Service Fee program.
- Permanent loss of lineage.
- Volume and earnings adjustments\*, and/or
- Termination of Associateship (see "Termination or Deletion of a Associateship" below).

If Herbalife concludes that other Independent Associates assisted, encouraged or were party to the violations, Herbalife also may hold such Independent Associates responsible for the violations.

Herbalife reserves the right to publish the violating Independent Associate's name, the facts and circumstances of the violation, and sanctions.

*\* Volume and earnings adjustments also includes corrective measures to resolve Sales & Marketing Plan Manipulation, Prohibited Locations, Product Sales to Non-Independent Associates for Re-sale and Prohibition of Sales on Auction Sites and Third-Party Online Marketplaces violations.*

### **Requests for Reconsideration (unrelated to Terminations)**

Independent Associates may submit a request for Herbalife's reconsideration of a decision within 15 days of the date of the decision. When requesting reconsideration, the Independent Associate may submit additional information they believe should be considered, and must also state why this information was not provided during the inquiry. If the reconsideration request is not submitted within the 15-day period, the request will be denied, although Herbalife reserves the right to consider evidence submitted beyond the 15-day period in its sole and absolute discretion.

### **Termination of a Associateship**

Herbalife may, in its sole and absolute discretion, terminate a Associateship if an Independent Associate violates the Rules.\*

The termination is effective on the date in Herbalife's written notification to the Independent Associate. Upon termination, the Independent Associate will have no claim against Herbalife as a result of the termination.

A terminated Independent Associate \*\* may no longer

- conduct business as an Independent Associate;
- represent himself as an Herbalife Independent Associate;
- use Herbalife's trade name, logo, trademarks and other intellectual property; and
- attend Herbalife trainings, meetings, social events or promotions, even as a spouse or guest of an Independent Associate.

If an Independent Associate has violated the Rules, Herbalife may refuse to accept the renewal, in which case the Associateship will be terminated.

*\* Termination means the complete cancellation of a Associateship and revocation of the Independent Associate's right to conduct the Herbalife business. This includes cancellation of the Independent Associate's right to receive any further income from the Associateship.*

*\*\* These prohibitions also apply to Independent Associates who resign or otherwise leave the Herbalife business while under an inquiry for possible Rule violations.*

### **Appealing a Termination**

Independent Associates may appeal a termination decision within 15 days of the date of the decision. When requesting an appeal, the Independent Associate may submit additional information they believe should be considered, and must also state why this information was not provided during the inquiry. If the appeal request is not submitted within the 15-day period, the request will be denied although Herbalife reserves the right to consider evidence submitted beyond the 15-day time frame in its sole and absolute discretion.

The appeal will be reviewed by a committee comprised of an appointed representative from each of the Sales Department, the Member Services Department, and the Legal Department (the "Review Committee"). A majority of the Review Committee may uphold the termination, reinstate the Associateship, or recommend an alternative penalty for the alleged violations. In reviewing a termination decision, the Review Committee will consider whether the alleged violation was material.

This decision shall not create liability to pay compensation for loss of profits or goodwill.

## Additional Legal Provisions

**References below to “Agreement” mean the Application and entire contractual relationship between Independent Associate and Herbalife.**

### **Damages**

To the fullest extent allowed by applicable law, neither Herbalife nor Independent Associate shall be liable to the other for any indirect, incidental, consequential, special, exemplary or punitive damages, of any kind, including without limitation any loss of goodwill, business opportunities, bargains, profit or revenues under any legal or equitable theory, regardless of whether the possibility of such damages is known by either party.

### **Waiver and Delay**

Herbalife may address Rules violations or other breaches of the Agreement with any Independent Associate in its sole and absolute discretion. No failure, refusal or neglect of Herbalife to exercise any right, power or option under the Agreement shall constitute a waiver of the provisions or a waiver by Herbalife of its rights at any time under the Agreement.

### **Severability**

If any provision in the Agreement is found to be invalid, illegal, or unenforceable in any respect, it shall be severed from the Agreement and have no effect on the remainder of the Agreement, which shall remain in full force and effect. Further, there shall be added automatically as part of the Agreement a provision as similar as possible to the severed provision that would be legal, valid, and enforceable.

### **Choice of Law and Forum**

Any dispute arising from the relationship between Herbalife and Independent Associates, shall be governed by the laws of the Republic of Uzbekistan without the application of conflict of law principles.

Any such dispute shall be resolved exclusively in a judicial proceeding in the competent court located in the Republic of Uzbekistan.

### **Compensation of Damages**

Independent Associate will compensate Herbalife from any suit, action, demand, prosecution, or claim, including all costs or liabilities and damages, relating to or arising from Independent Associate's breach of the Agreement or the conduct of Independent Associate's Herbalife business. Herbalife may, among other things, offset amounts it owes to Independent Associate to compensate such damages.

### **Claims Between Independent Associates**

Herbalife shall not be liable to any Independent Associate for any cost, loss, damage, or expense suffered by any Independent Associate directly or indirectly as a result of any act, omission, representation, or statement by any other Independent Associate.

## Privacy and Data Protection

Unless otherwise indicated, Herbalife collects uses and shares “Personal Information” (e.g., your first and last name, mailing address, city, state, zip code, telephone number, email address, credit card, and banking information) in accordance with its Privacy Policy located at [HerbalifeUzbekistan.com](http://HerbalifeUzbekistan.com).

Because of the unique nature of multi-level marketing, Herbalife Independent Associates may receive Personal Information about others directly from Herbalife, such as information regarding other Independent Associates in a Independent Associate’s downline, Customers or referrals who express interest in Herbalife products or services, or individuals who use our online properties and mobile applications (“Sites”). (The downline organization consists of all Independent Associates that were personally sponsored by a particular Independent Associate, and in turn, all other persons sponsored by the subsequent Independent Associates.) Independent Associates may only use this Personal Information to develop their Herbalife business relationship with their downline, Customers or referrals, unless they have received consent from the individual to use his or her Personal Information for other purposes.

One way that Herbalife shares information with Independent Associates is through Lineage Reports. These reports contain information regarding other Independent Associates within a Independent Associate’s downline, such as their name and contact information, their Herbalife Identification Number, and business metrics such as their level or rank, volume and sales statistics. Lineage Reports are provided to Independent Associates in the strictest confidence and for the sole purpose of supporting the Independent Associates in further developing their Herbalife businesses. Lineage Reports, including all Personal Information and other data contained therein, constitute confidential, proprietary trade secrets of Herbalife. Independent Associates may not collect, distribute or gather confidential information or personal or aggregate information about other Herbalife Independent Associates, their Customers, except in connection with their downlines and solely for the purposes of promoting their Herbalife businesses, and to manage, motivate and train their downlines.

Independent Associates may also collect Personal Information from individuals directly or by other means, such as when they collect contact and payment information from Customers to process product orders.

Independent Associates must abide by applicable privacy and data protection laws, including international data transfer restrictions and provisions regarding the rights of data subjects such as a right of access and restriction of or objection to processing, with respect to all Personal Information obtained by Independent Associate (from Herbalife or otherwise) in connection with the Independent Associate’s Herbalife business. In addition, it is the Independent Associate’s responsibility to implement sufficient legal, organizational and technical measures (such as strong password protection and encryption) to maintain the integrity, security and confidentiality of all Personal Information that he or she receives.
