

Herbalife[®]

Live your best life

Today's the Day

We want you to succeed at living your healthiest life

Have you ever thought, “I wish I knew then what I know now”? So many of us wish that we had established better eating habits and taken living a healthier lifestyle more seriously earlier on. We browse social media and look at other people living their best lives and we wish we had the same energy and vitality.

The good news is, it's never too late to start your journey toward a healthier lifestyle. And one of the best ways to begin is by improving your daily nutrition. Great nutrition is the key to establishing the foundation upon which you can build your best life. We provide high-quality, science-based products that deliver the nutrients your body needs to thrive every day, inside and out.

But the thing that makes our products so special is that they come with a unique and enthusiastic support system of Herbalife Independent Distributors. Our Distributors are always available to help you get started with better nutritional choices, offer tips for healthy eating and regular exercise, and guide you along the way to continued success.

We've helped millions of people around the world incorporate convenient and customized nutrition into their routine. As you read the pages ahead, reflect on what inspired you to pick up this catalog. No matter where you've been or what obstacles have stood in your way previously, the power to change is literally in your hands right now.

The journey to living your best life starts now!

Heather Jackson,
professional endurance athlete
and Herbalife sponsored athlete

A Simple Plan for Healthy Living

It's all about balanced nutrition and healthy lifestyle

Our nutrition philosophy is simple: It's a combination of balanced nutrition, healthy activity and a personalized program with support from an Herbalife Independent Distributor.

Let's break down your calories. So you know you need to eat right, but what does eating "right" really mean? For optimal well-being, we believe you should adopt a plan in the following areas:

PROTEIN

What: The building block of body proteins, including muscle.

Why: Helps satisfy hunger, maintain lean muscle mass and maintain energy.

Where: Lean meat, poultry, fish, eggs, Herbalife^{®-MD} Formula 1 Meal Replacement, Personalized Protein Powder, Protein Drink Mix and Protein Bar Deluxe.

CARBOHYDRATES

What: Your body's preferred source of fuel.

Why: A primary source of energy and fuel for the body.

Where: Fruits, vegetables, seeds, beans, whole grains, Herbalife^{®-MD} Formula 1 Meal Replacement, Protein Drink Mix and Protein Bar Deluxe.

FIBRE

What: A plant-based substance that aids in digestion.

Why: For digestive health, helps fill you up and supports the growth of friendly intestinal bacteria.

Where: Found in fruits, vegetables, beans, peas, lentils, nuts, seeds, whole grains, Herbalife^{®-MD} Formula 1 Meal Replacement and Herbalife^{®-MD} Active Fibre Complex.

FATS

What: A source of energy.

Why: Omega-3 fatty acids help support cardiovascular health.

Where: Olive oil, avocados, egg yolks, ocean-caught fish, nuts, seeds and in Natural Health Products like Herbalifeline^{®-MD}, Tri-Shield^{®-MD} and Core Complex.

VITAMINS & MINERALS

What: Organic and inorganic substances used by the body for healthy growth.

Why: Play a key role in cell function, help convert macronutrients into energy (B vitamins) and support the immune system (Vitamins C and E).

Where: Found in fruits, vegetables, dairy products, eggs, meats, grains and Herbalife^{®-MD} Formula 1 Meal Replacement, and in Natural Health Products such as Herbalife^{®-MD} Formula 2 Multivitamin Mineral Complex.

PHYTONUTRIENTS

What: Plant-based substances that can have health-supporting functions.

Why: Some help your body defend against oxidative stress.

Where: Fruits and vegetables, grains, beans and nuts.

HYDRATION

What: We recommend 64 fl. oz. of water per day for healthy hydration. However, individual fluid needs will vary.

Why: A hydrated body is less susceptible to fatigue, constipation, dry skin and muscle cramps.

Where: Several Herbalife^{®-MD} products, when mixed with water, including Herbal Aloe Concentrate, Green Tea and H₂O^{®-MD} Fitness Drink. Herbalife also offers Herbalife24 CR7 Drive, a Natural Health Product that helps to maintain performance in extended, high-intensity exercise.

EXERCISE

What: Movement that gets your body active and your heart pumping.

Why: Just 30 minutes of exercise a day can make a difference.

Where: Indoors or outdoors – You don't need fancy gym equipment to get moving!

REST

What: Giving your body a much-needed break.

Why: Getting your z's is a critical piece of the feel-good/look-good puzzle.

Where: A cool, comfortable sleeping environment.

Scientific Leadership Team

The development of Herbalife®-MD products is guided by Herbalife Scientific Leadership, made up of professionals in the fields of nutrition and health from around the world, who participate in the company's product development and testing programs. The company and scientific staff are members of various research and professional societies and dietetic groups worldwide.

Your Daily Dose of Balance

Simply Probiotic is a daily, science-backed probiotic that's tiny but strong. Powered by a patented GanedenBC³⁰®* probiotic strain, it is tough enough to survive the stomach's acidic environment to reach the intestines – right where it needs to be – aiding in carbohydrate and protein digestion.

3 Easy Steps to a Balanced Life

STEP 1

Try Simply Probiotic with your favourite food or beverage – hot, cold or frozen.

Mixes easily into your favourite hot or cold Herbalife beverage. Use as directed.

STEP 2

Incorporate Simply Probiotic into your daily routine.

Don't worry; you won't need to change your current lifestyle. Simply Probiotic requires no refrigeration and comes in a convenient powdered format, making it easy to take with you everywhere you go.

STEP 3

Continue to eat healthy and stay active.

Your gut – and overall health – will love you for it!

Simply Probiotic

A convenient way to add 1 billion active probiotic organisms to your daily nutrition routine

- Designed with a GanedenBC³⁰®* probiotic
- Provides 1 billion active probiotic organisms per serving, which promote digestive health
- Bacillus coagulans GBI-30, 6086® aids in carbohydrate and protein digestion as part of a balanced diet and healthy lifestyle
- 0 calories

30 Servings | #1829

*GanedenBC³⁰® and bacillus coagulans GBI-30, 6086® are registered trademarks of Kerry Group.

A Whole New Frontier

Ashley

Herbalife Independent Distributor

A military spouse in Alaska discovers her true calling.

This is Ashley's Herbalife Story:

I'm a military wife and mom originally from Puerto Rico and currently living in Alaska. It was only a few years ago that I was working as an administrative assistant and lifeguard at the military installation where my husband is stationed.

While I loved spending time with my husband and our daughter, I was definitely feeling unfulfilled at work. I had always dreamed of something more, of being a leader rather than an assistant with no control over my professional growth and career path. It didn't help that I was in a pretty remote part of the country, far away from my family and friends from home.

*Atypical achievements shown came from hard work, skill and dedication. Most people work part-time, and in addition to any retail profit, they typically earn about CA\$450 after their 1st year, before expenses. For more, see Herbalife.ca/STGC.

I was also unhappy with my weight and decided that I needed to make some changes in my lifestyle. I had been following Fabiola B. on social media for a couple of years, and she was such an inspiration to me that I eventually reached out to her for advice. She introduced me to Herbalife and ended up becoming my Sponsor.

I got started with Formula 1 Meal Replacement and Herbal Tea Concentrate, which I still use every day. Others began to notice my results and wanted to try Herbalife for themselves. That was when I officially got on board as a Distributor.

For the first eight months, I did Herbalife part time along with my other two jobs. I had no real game plan in the beginning. I was just super excited about sharing my experiences with the products and trying to lead by example. The first time that one of my clients lost over

36 kilograms* following the meal plan I had set up for her using Herbalife[®]-MD products, I actually cried like a baby because I realized I had discovered my purpose and the vehicle to help me fulfill it.

Today, I run fitness challenges both in person locally and online with clients around the country. These challenges are designed to help people set a small goal and to give them the products and tools they need to achieve it. I still use Formula 1 and Herbal Tea Concentrate every day, along with Protein Drink Mix and Herbal Aloe Concentrate.

I'm so grateful to Herbalife for the products and for making it possible for me to help others achieve their goals.[†]

*These results are not typical; individual results will vary. Any reasonable diet or weight-management program includes calorie reduction, exercise and sensible meals. Always consult your primary physician before starting an exercise or weight-management program.

Stay Healthy, No Matter What Your Age

Did You Know?

"It's not about looking young forever, it's about feeling younger every day. Taking care of yourself in early stages makes a huge difference in maturity."

Rocío Medina, M.D.
Cochairperson and Member, Nutrition Advisory Board

Ritual Simplicity

Laura Chacón-Garbato
shares her five-point plan
for looking and feeling
your best.

Taking care of our skin is essential when it comes to looking and feeling our best, yet we often let our busy lives get in the way of taking care of ourselves.

Here are five ways to turn your skin care routine into a daily self-care ritual:

1 Cleanse

Grimy dirt, sticky oils, dried-up skin cells and many other terrible things are *everywhere*! Keeping the skin free of all these things helps to keep our skin looking its very best.

2 Moisturize

A daytime moisturizer and a rich night cream can help to maintain our skin's moisture barrier and nourish the skin. Moisturizing is not just for the face! Moisturize from head to toe each and every day.

3 Protect

One of the best things you can do for your skin is to protect it from the harmful UVA and UVB rays of the sun. Never go into the sun without wearing a product containing a broad-spectrum SPF (Sun Protection Factor).

4 Pamper

A little “me time” can work wonders. Never feel guilty for taking the time to take care of yourself. A little pampering is beneficial to you and everyone around you. Try a facial mask, exfoliation or a relaxing bubble bath.

5 Mindful Relaxation

Everyone has something special they enjoy doing that helps them relax. It might be a good book, a brisk walk or many other things. After a stressful day, the best remedy is time spent taking care of just you.

Results in 7 Days

Herbalife SKIN[®]-MD products have been clinically tested to provide results in just 7 days.[†]

Your skin is delicate and needs to be handled with care, but you also need products strong enough to deliver results. Quality ingredients, botanicals and extracts are combined with science to promote beautiful, healthy-looking skin. Herbalife SKIN[®]-MD products have no added parabens and are dermatologist tested for safety.

Soothing Aloe Cleanser

Removes excess oil, dirt and makeup

- Softens and moisturizes
- For normal to dry skin

STEP 1 ☀️🌙

150 ml Tube | #0765

Polishing Citrus Cleanser

Cleans and revitalizes your skin

- Clinically tested to show a reduction in the skin's sebum after just one use*
- Removes excess oil, dirt and makeup
- For normal to oily skin, including combination skin
- Great for shaving

STEP 1 ☀️🌙

150 ml Tube | #0766

Energizing Herbal Toner

Refreshes tired-looking skin

- Hydrates, gently conditions and soothes skin
- Freshens and cleans skin without drying or stinging

STEP 2 ☀️🌙

50 ml Spray Bottle | #0767

Line Minimizing Serum

Clinically tested to:

- Reduce the appearance of fine lines and wrinkles[‡]
- Improve softness, smoothness, radiance, glow and luminosity in just seven days[§]

STEP 3 ☀️🌙

30 ml Airless Pump | #0768

Hydrating Eye Cream

Clinically tested to:

- Minimize lines and wrinkles around the eyes[‡]
- Show a significant increase in the skin's moisture for eight hours^{**}

STEP 4 🌙

15 ml Airless Pump | #0771

Firming Eye Gel

- Clinically tested to improve the appearance of the delicate eye area by increasing skin's elasticity^{††}
- Ophthalmologist tested
- Formulated with cucumber extract

STEP 4 ☀️

15 ml Airless Pump | #0770

*Clinically tested on subjects, measuring sebum levels immediately after application. 100% of subjects showed sebum reduction on surface of skin after one use.

†Results applicable to Line Minimizing Serum, Replenishing Night Cream, Daily Glow Moisturizer, and Protective Moisturizer Broad Spectrum SPF 30.

‡Clinically tested on subjects, skin roughness measured by Visioscan at intervals of 0, 7 and 42 days.

§Clinically tested on subjects for smoothness, softness, glow, radiance and luminosity measured by visual expert grading at intervals of two, four and seven days. 100% of subjects showed improvement in all five areas in just seven days.

**Clinically tested on subjects, measuring skin moisture levels at eight-hour intervals. Skin of 100% of subjects showed significantly higher moisture levels over baseline after eight hours.

††Clinically tested on subjects for firmness and elasticity measured by visual expert grading at intervals of seven days and 42 days. In 85% of subjects, improvement was seen in the appearance of firmness/elasticity in skin under the eye at 42 days.

Ⓐ Protective Moisturizer Broad Spectrum SPF 30 Sunscreen

DIN 02441993

Tested to:

- Double skin's moisture for eight hours*
- Show that skin looks more glowing and feels softer and smoother in just seven days†
- Reduce the appearance of fine lines and wrinkles
- Provide broad-spectrum UVA/UVB protection SPF 30

STEP 5 ☀

30 ml Airless Pump | #0899

Ⓑ Daily Glow Moisturizer

Clinically tested to:

- Double skin's moisture for eight hours‡
- Reveal skin that looks more glowing and feels softer and smoother in just seven days§
- Reduce the appearance of fine lines and wrinkles†

STEP 5 ☀

What to Consume for Healthy Skin

Your complexion is one of the first things people notice about you, and your skin says a lot about the way you eat. Here are some foods you can incorporate into your diet that promote healthy-looking skin:

- **Fish.** Fish is an excellent source of protein, which your body uses to build collagen and elastin. Fish also contains omega-3 fatty acids, which promote skin health. Aim to eat fish in several meals per week.
- **“Good” carbohydrate sources.** Try to clear out the refined “white” carbohydrates and sugars from your diet as much as possible and replace with the “good” carb sources – veggies, fruits, beans and whole grains.
- **Plenty of fluids.** In order for nutrients to move in and waste to move out, your skin cells (and all cells in your body) rely on fluid. Water is great – so is green tea, since it provides not only fluid, but antioxidants, too.
- **Colourful fruits and vegetables.** Many deeply coloured fruits and vegetables get much of their colour from compounds called carotenoids, which can be converted into Vitamin A that helps your skin cells reproduce. Many fruits and vegetables are also good sources of Vitamin C, which your body needs in order to manufacture collagen out of other nutrients.
- **Nuts and seeds.** Tree nuts like almonds and walnuts, and seeds like flax and chia, provide healthy omega-3 fats. And, certain nuts (Brazil nuts in particular) are excellent sources of selenium, a mineral which also acts as an antioxidant.

Nourish Your Skin from Within

Why do you need collagen?

As we age, the production of collagen in our bodies diminishes, resulting in the loss of firmness and elasticity, and the appearance of wrinkles.

Background material only. Not a representation of product effect.

Herbalife SKIN[®]-MD Collagen Beauty Booster mixes easily with water, your favourite shake, tea or aloe. When you consume as directed – once a day – it works beneath the skin's surface, promoting the production of elastin with Verisol[®]* collagen.

Herbalife SKIN[®]-MD Collagen Beauty Booster

NPN 80075098

Verisol[®]* collagen helps promote the production of collagen and elastin

- Formulated with Verisol[®]* collagen, which has been tested to show support of skin elasticity and the reduction of fine wrinkles

Dries up acne blemishes

TIPS

It's important

To be gentle to your skin when washing your face, so use your fingertips for a soft cleanse and stay away from washcloths or abrasive brushes that may cause more acne breakouts.

Did you know

That perspiration can make acne worse? So avoid prolonged contact with sweaty headbands or other dirty items that come in contact with your skin.

*See product packaging for complete instructions, warnings and ingredients.

Cleanse, Moisturize and Rejuvenate

Pamper your skin and hair with the benefits of the Herbal Aloe product line.
