

Herbalife Wellness Rewards VIP Member FAQ

General Questions

1. What perks and discounts do Herbalife Wellness Rewards Members receive?

The Herbalife Wellness Rewards Program includes multiple tiers designed to reward customers' loyalty and engagement. Free shipping is available on all orders over \$150, and tier-based discounts are automatically applied based on their tier status:

- **Herbalife Wellness Rewards Member** (Free to join): Earn and redeem Points on product purchases. No product discounts are included at this tier, but they can get 5% off on Subscribe & Earn orders. Herbalife Independent Distributors may offer their customers greater discounts on product purchases through coupons.
- **Bronze VIP Member** (\$19.95 Annual Fee): Enjoy a 15% off suggested retail price (SRP), receive one free sample with every order, and earn 1.25 times Points on Subscribe & Earn orders
- **Silver VIP Member** (Spend \$500 + \$19.95 Annual Fee): Receive a 25% off suggested retail price, one free sample per order, and earn 1.5 times Points on Subscribe & Earn orders
- **Gold VIP Member** (Spend \$2,500 + \$19.95 Annual Fee): Unlock a 35% off suggested retail price, one free sample per order, and earn 2 times Points on Subscribe & Earn orders

Please note that the Herbalife Wellness Rewards VIP Program provides discounts off the suggested retail price, whereas the Preferred Member program provides discounts based on Earn Base discounts from suggested retail price. In addition, the Herbalife Wellness Rewards VIP discount threshold amounts are cumulative with no time period. Once achieved, the discount remains unchanged as long as they remain an Herbalife Wellness Rewards VIP Member and renew their membership.
