Herbalife

North America Qualification and Event Rules

- For U.S.-based Distributors, worldwide volume from purchases made by non-U.S. downline for sale to customers outside the U.S. will count toward these promotions. All other volume required to qualify for these promotions must be Documented, except for the Love the Product Promotion, which is based on Personal Consumption Volume Points (PCVP). See the Herbalife Sales & Marketing Plan for more detail.
- Qualifiers must be in good standing with Herbalife
- Qualification will be confirmed at the sole discretion of Herbalife
- Documented Volume Points achieved as a Qualifying Supervisor at a temporary 50% discount may be utilized toward the following promotions: Bronze, Silver, Gold, Platinum and October Double Volume
- Bonus Points will be used toward the accumulated Total Documented Volume Points for Bronze, Silver, Gold or Platinum VIP qualifications and will not count toward earnings or any other qualification or promotion
- Distributors are solely responsible for any and all taxes associated with the event
- Qualifications are based on the achievements of the individual Distributorship. Divorced Distributors with split IDs may combine 100% of the Documented Volume from the original (joint) ID, plus 100% of the volume on their “new” (individual) ID.
- If a monetary reward is earned by both associated IDs, the reward amount will be divided in half between each Distributor ID. Herbalife will review all cases at the end of qualification period and determine the reward payout.
- Distributors must raise all questions and disputes relating to event rewards or related charges within 90 days of the qualification
- Herbalife reserves the right to re-verify and re-validate Distributor qualifications. Should Herbalife be unable to verify/validate any sales resulting in Documented Volume contributing to the qualification, in addition to the adjustment of the volume, the monetary value of these promotions may be deducted from the Distributor's future earnings.
- Rewards may not be transferred, exchanged, sold, traded or bartered
- Herbalife reserves the right to change, extend, or withdraw this promotion at any time
- Should any of the Volume Points required to qualify for the promotion become the subject of a product repurchase request, Herbalife will deduct the cost of the rewards from the cost of the applicable repurchase amount
- Only Herbalife Independent Distributors are permitted to attend events

All qualifications must be completed prior to the day(s) of the event. Herbalife reserves the right to revalidate Distributor qualifications up to and including the day(s) of the event. Herbalife reserves the right to change, modify or substitute any rewards or promotional items if this event should be postponed or otherwise reformatted.
