North America qualification and event Rules

- Worldwide volume will count toward this promotion. For U.S. and Puerto Rico Distributors, all volume counted toward this promotion, including worldwide volume, must be Documented. For more detail regarding Documented Volume, see the U.S. Sales & Marketing Plan.
- Qualifiers must be in good standing with Herbalife
- Qualification will be confirmed at the sole discretion of Herbalife
- Documented Volume Points achieved as a Qualifying Supervisor at a temporary 50% discount may be utilized toward the following promotions: Elite Club and Elite Club Plus
- Bonus Points will be used toward the accumulated Total Documented Volume Points for Elite Club and Elite Club Plus qualifications and will not count toward earnings or any other qualification or promotion

- Distributors are solely responsible for all taxes associated with the event
- Qualifications are based on the achievements of the individual Distributorship. Divorced Distributors with split IDs may combine 100% of the Documented Volume from the original (joint) ID, plus 100% of the volume on their “new” (individual) ID.
- If a monetary reward is earned by associated IDs, the reward amount will be split if both IDs qualify for the payment reward. Herbalife will review all cases at the end of the qualification period and determine the reward payout.
- Distributors must raise all questions and disputes relating to event rewards or related charges within 90 days of the qualification
- You must be present at the event to redeem all rewards. Rewards may not be transferred, exchanged, sold, traded or bartered.
- Herbalife reserves the right to change, extend or withdraw this promotion at any time
- Should any of the Volume Points required to qualify for the promotion become the subject of a product repurchase request, Herbalife will deduct the cost of the rewards from the cost of the applicable repurchase amount
- Herbalife Independent Distributors can request a refund for unused U.S. corporate event tickets, including taxes and any handling costs, that were purchased in the previous 12 months if their Distributorship is canceled for any reason
- We encourage Herbalife Independent Distributors to attend events to help stay connected and continue learning. However, attending events is not mandatory and does not guarantee financial success.

All qualifications must be completed prior to the day(s) of the event. Herbalife reserves the right to revalidate Distributor qualifications up to and including the day(s) of the event. Should Herbalife be unable to verify/validate any sales resulting in Documented Volume contributing to the qualification, in addition to the adjustment of the volume, the monetary value of this promotion may be deducted from the Distributor’s future earnings. Herbalife reserves the right to change, modify or substitute any gifts, rewards or promotional items if this event should be postponed or otherwise reformatted.

Only Herbalife Independent Distributors are permitted to attend events.
