

Your **Backup** When Your Day Doesn't Go According to **Your Meal Plan**

Get back on track after those “less-than-perfect meals” with Fat Release!

This dietary supplement is specially formulated with Litramine[®], a patented cactus fiber ingredient, and is designed to help excrete a portion of dietary fat while supporting your healthy lifestyle goals.* Take once after each meal or snack that contains unwanted fat, up to three times a day.[†]

- Reduces a portion of fat calories from being absorbed when taken with a meal containing fats*
- Enhances the amount of dietary fat eliminated from the body*
- Formulated with Litramine[®] to promote feeling of fullness*
- Use with or without water, or add to your favorite aloe or tea beverage

Litramine[®] is a registered trademark of the InQpharm group of companies.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

[†]If you wish to digest fat content in a meal, such as omega-3 fatty acids, do not take Fat Release after the meal.
