Some products are part of a special pricing group where discounts are adjusted based on the product's value rather than the full retail price. Retail prices can sometimes include processing and/or shipping fees, which do not qualify for discounts. For these items, Herbalife Wellness Rewards Silver and Gold VIP Members receive 20% off retail price, and Bronze VIP Members receive 15% off retail price. The following products are included in this pricing group: Herbalife24 ACHIEVE Protein Bar, Protein Bar Deluxe, Formula 1 Express Meal Bar, Protein Bites, Beverage Enhancers (all flavors), N-R-G Tea packets, Herbalife24 Rebuild Strength packets, Herbalife24 Prepare packets and HERBALIFE V Plant-Based Greens Booster packets.

Once Preferred Members upgrade and join the Wellness Rewards VIP Program, they cannot return to the previous Preferred Member Program.

Wellness Rewards VIP customers won't be able to order and pick up their orders from warehouses or Sales Centers. This option is not currently available through the e-commerce site.
