

PROTECTING THE LINES OF SPONSORSHIP

Protecting the lines of sponsorship is key to maintaining the integrity of the Herbalife Nutrition Sales and Marketing Plan.

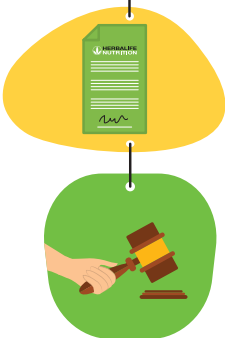

Individuals may have and participate in **only one*** Herbalife Nutrition Distributorship or Preferred Membership under one sponsor.

This also applies to their *Spouse or Life Partner*.

Distributors may only participate in activities that develop **their own Distributorship** (retailing, sponsoring or offering the Herbalife Nutrition business, promoting, and training and educating their team).

Applications **must be submitted** in the name of an individual; however, Distributors may request to have their income paid into a partnership or corporation.**

Creation of dual Distributorships may lead to **sanctions**.

If both Distributors are at Supervisor level or greater at the time they marry or enter into a **Life Partner** relationship, they may continue operating their own separate Distributorships, and remain in their original lines of sponsorship.

MARRIED COUPLES OR LIFE PARTNERS:*

- May participate in only one Distributorship or Preferred Membership.
- Cannot sponsor each other.
- Must sign a single application under one Sponsor.

PERIOD OF INACTIVITY

- Distributors or Preferred Members who resign must wait one year before joining again under a different Sponsor
- For World Team level and above, the period of inactivity is two years.
- During this waiting period, former Distributors or Preferred Members **may not be involved** in any Herbalife Nutrition business activity.

* There may be some exceptions to the one Distributorship Rule.
 **The Distributorship will remain in the name of the individual, and the income of the distributorship will be reported in the name and tax identification number of the individual Distributor.

Former Distributors or Preferred Members applying for a new Distributorship or Preferred Membership must provide their **former ID number to Herbalife Nutrition**. **If they did not wait the "period of inactivity," their application may be denied and may result in other repercussions.**
