**OTHER INGREDIENTS:** Citric Acid, Natural Lemon Flavor, Sucralose and Silicon Dioxide.

Formulated and distributed exclusively by: HERBALIFE INTERNATIONAL OF AMERICA, INC.  
800 W. Olympic Blvd., Suite 406, Los Angeles, CA 90015 USA

**Niteworks®** is a dietary supplement formulated with L-arginine and L-citrulline that help the body create more life supporting nitric oxide.\* Research indicates that nitric oxide production supports healthy blood pressure levels already within a normal range and blood vessel elasticity.\* Niteworks® is also an excellent source of folic acid to support a healthy cardiovascular system and is rich in antioxidant vitamins C and E.\* For heart health benefits, take at night or before bedtime, when nitric oxide levels are lowest. Some scientific evidence suggests that consumption of antioxidant vitamins may reduce the risk of certain forms of cancer. However, FDA has determined that this evidence is limited and not conclusive.
