Herbalife

Live your best life
We want you to succeed at living your healthiest life

Have you ever thought, “I wish I knew then what I know now”? So many of us wish that we had established better eating habits and taken living a healthier lifestyle more seriously earlier on. We browse social media and look at other people living their best lives and we wish we had the same energy and vitality.

The good news is, it’s never too late to start your journey toward a healthier lifestyle. And one of the best ways to begin is by improving your daily nutrition. Great nutrition is the key to establishing the foundation upon which you can build your best life. We provide high-quality, science-based products that deliver the nutrients your body needs to thrive every day, inside and out.

But the thing that makes our products so special is that they come with a unique and enthusiastic support system of Herbalife Independent Distributors. Our Distributors are always available to help you get started with better nutritional choices, offer tips for healthy eating and regular exercise, and guide you along the way to continued success.

We’ve helped millions of people around the world incorporate convenient and customized nutrition into their routine. As you read the pages ahead, reflect on what inspired you to pick up this catalog. No matter where you’ve been or what obstacles have stood in your way previously, the power to change is literally in your hands right now.

The journey to living your best life starts now!
**HERBALIFE**

**A Simple Plan for Healthy Living**

It's all about balanced nutrition and a healthy lifestyle

Our nutrition philosophy is simple: It’s a combination of balanced nutrition, healthy activity and a personalized program with support from an Herbalife Independent Distributor.

Let’s break down your calories. So you know you need to eat right, but what does eating “right” really mean? For optimal well-being, we believe you should adopt a plan in the following areas:

**PROTEIN**
- **What:** The building block of body proteins, including muscle.
- **Why:** Helps satisfy hunger, maintain lean muscle mass and gives you lasting energy.
- **Where:** Lean meat, poultry, fish, eggs, Herbalife® Formula 1 shakes, Personalized Protein Powder, Protein Drink Mix, Formula 1 Express Meal Bar and Protein Bar Deluxe.

**CARBOHYDRATES**
- **What:** Your body’s preferred source of fuel.
- **Why:** A primary source of energy and fuel for the body.
- **Where:** Fruits, vegetables, seeds, beans, whole grains, Herbalife® Formula 1 shakes, Protein Drink Mix, Formula 1 Express Meal Bar and Protein Bar Deluxe.

**FIBER**
- **What:** A plant-based substance that aids in digestion.
- **Why:** For digestive health, helps fill you up and supports the growth of friendly intestinal bacteria.
- **Where:** Found in fruits, vegetables, beans, peas, lentils, nuts, seeds, whole grains, Herbalife® Formula 1 shakes, Herbalife® Active Fiber Complex and Formula 1 Express Meal Bar.

**FATS**
- **What:** A source of energy.
- **Why:** Omega-3 fatty acids help support cardiovascular health.*
- **Where:** Olive oil, avocados, egg yolks, ocean-caught fish, nuts, seeds and in dietary supplements like Herbalifeline®, Tri-Shield®, CoQ10 Plus and Core Complex.

**VITAMINS & MINERALS**
- **What:** Organic and inorganic substances used by the body for healthy growth.
- **Why:** Play a key role in cell function, help convert macronutrients into energy (B vitamins) and support the immune system (antioxidant Vitamins C and E).*
- **Where:** Found in fruits, vegetables, dairy products, eggs, meats, grains and Herbalife® Formula 1 shakes, Protein Drink Mix, Formula 1 Express Meal Bar and in dietary supplements such as Herbalife® Formula 2 Multivitamin Complex.

**HYDRATION**
- **What:** We recommend 64 fl. oz. of water per day for healthy hydration. However, individual fluid needs will vary.
- **Why:** A hydrated body is less susceptible to fatigue, constipation, dry skin and muscle cramps.
- **Where:** Herbalife also offers an option for enhanced hydration during exercise, Herbalife24® CR7 Drive.

**EXERCISE**
- **What:** Movement that gets your body active and your heart pumping.
- **Why:** Just 30 minutes of exercise a day can make a difference.
- **Where:** Indoors or outdoors – you don’t need fancy gym equipment to get moving!

**REST**
- **What:** Giving your body a much-needed break.
- **Why:** Getting your z’s is a critical piece of the feel-good/look-good puzzle.
- **Where:** A cool, comfortable sleeping environment with the support of Herbalife® Sleep Now, Relax Now and Relaxation Tea.

The Perfect Blend

Core nutrition focuses on the micronutrients and macronutrients you need to thrive each day. Our trio of Core Products works together to kick-start your healthy eating habits.

Formula 1 Healthy Meal Nutritional Shake Mix
Balanced nutrition: protein, fiber and vitamins

WHAT’S IN IT?
• 17–24 g of high-quality protein per serving, when prepared with 8 fl. oz. of nonfat milk or one serving (2 scoops) of Protein Drink Mix
• A good source of fiber
• 21 vitamins and minerals
• Excellent source of antioxidant Vitamins C and E
• Nutrient-dense meal or snack

WHAT DOES IT DO?
• A mix of protein, carbs and fiber helps satisfy hunger
• Protein helps build muscle tissue and maintain lean muscle mass
• Easy to customize for your taste and nutritional needs

Lots of great-tasting flavors, endless combinations

†Glutathione and Vitamin C.
Essential Nutrition Selected for You

Just as your nutritional needs evolve, we work hard to make sure our products grow with you. Formula 1 Select and Protein Drink Mix Select are made from an easily digestible, plant-based protein blend of pea, quinoa and rice, are specially formulated with non-GM ingredients, no artificial flavors or sweeteners, and are gluten-free, vegetarian and Kosher certified.

Enjoy both on their own, as a pair, or blended with your favorite fruits and vegetables for a colorful, customized boost.

Formula 1 Select

A nutrient-dense, healthy meal

- 10 g of a high-quality, easily digestible protein blend (pea, rice, quinoa) to sustain energy and satisfy hunger
- 5 g of fiber
- 21 vitamins and minerals
- 5 g of sugar
- Made with non-GM ingredients

Natural Vanilla Flavor (30 Servings) | #1626

Protein Drink Mix Select

A healthy snack or protein booster

- 15 g of a high-quality, easily digestible protein blend (pea, rice, quinoa) to sustain energy and satisfy hunger
- 24 vitamins and minerals
- 3 g of sugar
- Low glycemic
- Made with non-GM ingredients

Natural Vanilla Flavor (22 Servings) | #1627

Formula 1 Select and Protein Drink Mix Select are:

- Made with no artificial flavors or sweeteners
- Vegetarian certified
- Suitable for dietary restrictions (e.g., gluten-free, soy-free)
- Made with non-GM ingredients
- Kosher certified

*Herbalife designation.
*Herbalife® products do not treat diabetes, but diabetics can use them.

Images of fruits are only serving recommendations. Product does not contain these fruits.

*On the basis of laboratory tests of Formula 1 Select for Glycemic Index (GI) value, this is a low-GI food.
Set Your Goal Today

Herbalife designation.
A Whole New Frontier

A military spouse in Alaska discovers her true calling.

This is Ashley’s Herbalife Story:

I’m a military wife and mom originally from Puerto Rico and currently living in Alaska. It was only a few years ago that I was working as an administrative assistant and lifeguard at the military installation where my husband is stationed.

While I loved spending time with my husband and our daughter, I was definitely feeling unfulfilled at work. I had always dreamed of something more, of being a leader rather than an assistant with no control over my professional growth and career path. It didn’t help that I was in a pretty remote part of the country, far away from my family and friends from home.

I was also unhappy with my weight and decided that I needed to make some changes in my lifestyle. I had been following Fabiola B. on social media for a couple of years, and she was such an inspiration to me that I eventually reached out to her for advice. She introduced me to Herbalife and ended up becoming my Sponsor.

I got started with Formula 1 shakes and Herbal Tea Concentrate, which I still use every day. Others began to notice my results and wanted to try Herbalife for themselves. That was when I officially got on board as a Distributor.

For the first eight months, I did Herbalife part time along with my other two jobs. I had no real game plan in the beginning. I was just super excited about sharing my experiences with the products and trying to lead by example. The first time that one of my clients lost over 80 pounds* following the meal plan I had set up for her using Herbalife® products, I actually cried like a baby because I realized I had discovered my purpose and the vehicle to help me fulfill it.

Today, I run fitness challenges both in person locally and online with clients around the country. These challenges are designed to help people set a small goal and to give them the products and tools they need to achieve it. I still use Formula 1 and Herbal Tea Concentrate every day, along with Protein Drink Mix, Herbal Aloe Concentrate and Prolessa® Duo.

I’m so grateful to Herbalife for the products and for making it possible for me to help others achieve their goals.

*People who replace two meals a day with Herbalife® Formula 1 as part of a healthy lifestyle (such as lowering caloric intake, eating a healthy, balanced diet or engaging in regular physical activity), can generally expect to lose around half a pound to 1 pound per week.
Support Your Immune System*

Best Defense®
Supports immune health*
- Formulated with Echinacea to support immune health*
- 1,000 mg of Vitamin C, a powerful antioxidant
- Contains 8 mg of zinc to support the body’s immune function*

Ritual Simplicity

Laura Chacón-Garbato shares her five-point plan for looking and feeling your best.

Taking care of our skin is essential when it comes to looking and feeling our best, yet we often let our busy lives get in the way of taking care of ourselves.

Here are five ways to turn your skincare routine into a daily self-care ritual:

1. **Cleanse**
   Grimey dirt, sticky oils, dried up skin cells and many other terrible things are everywhere! Keeping the skin free of all these things helps to keep our skin looking its very best.

2. **Moisturize**
   A daytime moisturizer and a rich night cream can help to maintain our skin’s moisture barrier and nourish the skin. Moisturizing is not just for the face! Moisturize from head to toe each and every day.

3. **Protect**
   One of the best things you can do for your skin is to protect it from the harmful UVA and UVB rays of the sun. Never go into the sun without wearing a product containing a broad-spectrum SPF (Sun Protection Factor).

4. **Pamper**
   A little “me time” can work wonders. Never feel guilty for taking the time to take care of you. A little pampering is beneficial to you and everyone around you. Try a facial mask, exfoliate or a relaxing bubble bath.

5. **Mindful Relaxation**
   Everyone has something special that they enjoy doing that helps them relax. It might be a good book, a brisk walk, or many other things. After a stressful day, the best remedy is time spent taking care of just you.
Results in 7 Days

**Herbalife SKIN® products have been clinically tested to provide results in just 7 days.**

Your skin is delicate and needs to be handled with care, but you also need products strong enough to deliver results. Quality ingredients, botanicals and extracts are combined with science to promote beautiful, healthy-looking skin. Some Herbalife SKIN® products have no added parabens or sulfates, and are dermatologist tested for safety.

Shine from the Inside Out

Take a holistic approach to your outer wellness with Herbalife SKIN® LycoGlow®. Specifically designed to foster and nourish overall skin wellness from the inside out, it offers key phytonutrients that can help boost your skincare routine to give your skin a healthy glow.* Tomato and rosemary extracts maintain the skin’s ability to balance its response to sun exposure.†

†This product is not a substitute for topical sunscreen. We recommend continuing your daily Herbalife SPF 30 product regimen.

Radiant Results You Can See*

Here’s what happened when participants took Herbalife SKIN® LycoGlow® daily for 16 weeks.

Photo of study participants, after 16 weeks’ daily use of Herbalife SKIN® LycoGlow® capsules. Out of 31 participants, 64.5% showed comparable brightness, 54.8% showed comparable firmness, and 80.6% showed comparable smoothness.

Herbalife SKIN® LycoGlow®
From vine to shine

• Supports skin smoothness, brightness and firmness with tomato extract*
• Helps firm skin all over your body so it looks smooth*
• Gives your body an all over healthy glow*
• Carotenoids from tomato extract in Herbalife SKIN® LycoGlow® and collagen in Herbalife SKIN® Collagen Beauty Booster both support your skin’s appearance††

30 Softgels | #177K
What to Consume for Healthy Skin

Your complexion is one of the first things people notice about you, and your skin says a lot about the way you eat. Here are some foods you can incorporate into your diet that promote healthy-looking skin:

- **Fish.** Fish is an excellent source of protein, which your body uses to build collagen and elastin. Fish also contains omega-3 fatty acids, which promote skin health. Aim to eat fish in several meals per week.

- **“Good” carbohydrate sources.** Try to clear out the refined “white” carbohydrates and sugars from your diet as much as possible and replace with the “good” carb sources – veggies, fruits, beans and whole grains.

- **Plenty of fluids.** In order for nutrients to move in and waste to move out, your skin cells (and all cells in your body) rely on fluid. Water is great – so is green tea, since it provides not only fluid, but antioxidants, too.

- **Colorful fruits and vegetables.** Many deeply colored fruits and vegetables get much of their color from compounds called carotenoids, which can be converted into Vitamin A that helps your skin cells reproduce. Many fruits and vegetables are also good sources of Vitamin C, which your body needs in order to manufacture collagen out of other nutrients.

- **Nuts and seeds.** Tree nuts like almonds and walnuts, and seeds like flax and chia, provide healthy omega-3 fats. And, certain nuts (Brazil nuts in particular) are excellent sources of selenium, a mineral which also acts as an antioxidant.
Nourish Your Skin from Within

Why do you need collagen?
As we age, the production of collagen in our bodies diminishes, resulting in the loss of firmness and elasticity, and the appearance of wrinkles.

Herbalife SKIN® Collagen Beauty Booster mixes easily with water, your favorite shake, tea or aloe. When you consume as directed — once a day — Verisol®† collagen promotes the body’s normal production of collagen and elastin.*

Herbalife SKIN® Collagen Beauty Booster
Verisol®† collagen helps promote healthy production of collagen and elastin*

- Formulated with Verisol®† collagen, which has been tested to show support of skin elasticity and the reduction of fine wrinkles*
- Bioactive Collagen Peptides®‡ can reduce signs of cellulite*
- Supports strong nails and healthy hair with selenium, zinc and biotin*  
- Formulated with Vitamins A (as beta-carotene), C and E. Vitamins C and E help prevent harmful free radical cell damage that ages your skin.*
- Mix with water or add to your shake, tea or aloe

Spot Treatment (15 ml Tube) | #0809
Dries up acne blemishes with the acne-fighting power of salicylic acid

TIPS
It’s important
to be gentle to your skin when washing your face, so use your fingertips for a soft cleanse and stay away from washcloths or abrasive brushes that may cause more acne breakouts.

Did you know
that perspiration can make acne worse? So avoid prolonged contact with sweaty headbands or other dirty items that come in contact with your skin.

*One test of 32 subjects, 23 of whom were women.
†In a self-assessment, 100% of subjects reported Herbal Aloe Soothing Gel left skin feeling soft and smooth and improved its appearance.
‡When using Herbal Aloe Strengthening Shampoo and Conditioner. Damaged tresses treated with Herbal Aloe Strengthening Shampoo and Conditioner saw average broken fiber counts reduced by 90% versus untreated tresses in a Combing Test.
§Test measuring skin moisture levels by Newameter. Skin of 100% of subjects showed double the moisture levels over baseline after 20 minutes.
A Daily Ritual to Enrich Your Body and Mind

A line of nurturing self-care products from Herbalife formulated with high-quality hemp cannabinoids.

The best self-care routines become daily rituals that enrich our lives, so that we can enrich our communities and world. Our Enrichual line honors the value of daily self-care, inspiring us to nurture our bodies and minds.

Because everyone has more to give when they feel good.

We believe in the power of plants. Enrichual starts with hemp, a “wonder plant” with phytonutrients and cannabinoids. We’ve sourced high-quality, broad-spectrum hemp extract, and for transparency, publish third-party test results for every batch.

Enrichual products are infused with rich botanicals and essential oils to nurture and restore your skin. They’re an experience for all the senses. There are no added parabens or sulfates, and the formulations have been dermatologist tested for safety.

We deliver these thoughtfully crafted products in amber glass bottles to protect the integrity of the botanicals and reduce our use of plastics. Additionally, the Enrichual products have not been tested on animals. You can take comfort in knowing that Enrichual is good for the planet and good for you.
